# Important Safety Instructions

## SAVE THESE INSTRUCTIONS

- DO NOT connect the power strip to an ungrounded outlet.
- DO NOT use the power strip with 2-wire extension cords or adapters.
- This power strip is designed for indoor use only. Install the power strip away from heat-emitting appliances such as radiators or heat registers.
- Do not install where excessive moisture is present.
- Do not plug extension cords into the power strip.
- Never install electrical, telephone, network or coaxial wiring during a lightning storm.
- Do not drill into any part of the housing or open the housing for any reason. There are no user-serviceable parts inside.
- Use of this equipment in life support applications where failure of this equipment can reasonably be expected to cause the failure of the life support equipment or to significantly affect its safety or effectiveness is not recommended.

## Equipment Connection

Plug your equipment into the Power Strip's AC receptacles. DO NOT plug in equipment that draws more total amps than your Power Strip's amperage rating (see label on Power Strip for amperage rating), or you will trip the circuit breaker. If the circuit breaker trips, remove overload and depress breaker to reset. Leave enough clearance at the end of the Power Strip to allow the circuit breaker to operate normally.

**Note:** Select models with a power switch feature a protective switch cover. To access the switch, flip open the attached cover.

# Warranty and Product Registration

## LIFETIME LIMITED WARRANTY

Eaton warrants this product, if used in accordance with all applicable instructions, to be free from original defects in material and workmanship for life. If the product should prove defective in material or workmanship within that period, we will, subject to the foregoing terms and limitations, replace the product, in its sole discretion, as your exclusive remedy for our breach of the limited warranty. Visit [Tripplite.Eaton.com/support/product-returns](https://www.tripplite.com/support/product-returns) before sending any equipment back for repair.

THIS LIMITED WARRANTY DOES NOT APPLY TO NORMAL WEAR OR TO DAMAGE RESULTING FROM ACCIDENT, MISUSE, ABUSE OR NEGLIGENCE. Eaton MAKES NO WARRANTIES OTHER THAN THE LIMITED WARRANTY EXPRESSLY SET FORTH HEREIN. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ALL IMPLIED WARRANTIES, INCLUDING ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED; AND THIS WARRANTY EXPRESSLY EXCLUDES ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES. (Some states do not allow limitations or exclusion of implied warranties, and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may have other rights which vary from jurisdiction to jurisdiction).

WARNING: The individual user should take care to determine prior to use whether this device is suitable, adequate, or safe for the use intended. Because individual applications are subject to great variation, we make no representation or warranty as to the suitability or fitness of these devices for any specific application.

## PRODUCT REGISTRATION

Visit [Tripplite.Eaton.com/warranty](https://www.tripplite.com/warranty) today to register your new product. You'll be automatically entered into a drawing for a chance to win a FREE Eaton Tripp Lite series product!\*

\* No purchase necessary. Void where prohibited. Some restrictions apply. See website for details.

## REGULATORY COMPLIANCE IDENTIFICATION NUMBERS

For the purpose of regulatory compliance certifications and identification, your product has been assigned a unique series number. The series number can be found on the product nameplate label, along with all required approval markings and information. When requesting compliance information for this product, always refer to the series number. The series number should not be confused with the marking name or model number of the product. Eaton has a policy of continuous improvement. Specifications are subject to change without notice.
