# Safety Instructions

**Note: Read the entire instruction manual before you start assembly and installation.**

## WARNING

- Do not begin the installation until you have read and understood the instructions and warnings contained in this manual. If you have questions regarding any of the instructions or warnings, please visit [triplite.com/support](http://triplite.com/support).
- This product was designed to be installed and utilized ONLY as specified in this manual. Improper installation of this product may cause damage or serious injury.
- Make sure the unit can safely support the combined load of the equipment and all attached hardware and components.
- Tighten screws firmly, but do not over-tighten. Over tightening can cause damage to the items, greatly reducing their holding power.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.
- By reason of the many large television construction types available, the wall-mount screen installation materials cannot accommodate every screen type. Therefore, it is possible the provided screws may not fit your TV.
- Make sure that before and after the installation of the screen and the mounting bracket, neither you nor somebody else can be injured and other objects can be damaged. If in doubt, request for help from an expert.
- This unit is not a toy and is not suitable for use by children. Children should be supervised at all times around this unit.
- This unit contains glass parts. Do not subject the glass parts to sudden shock, knocks or quick changes in temperature. The unit may fracture and will form small, sharp shards. Take extreme care when handling broken glass.

# Warranty and Product Registration

## 5-Year Limited Warranty

Seller warrants this product, if used in accordance with all applicable instructions, to be free from original defects in material and workmanship for a period of 5 years from the date of initial purchase. If the product should prove defective in material or workmanship within that period, Seller will repair or replace the product, at its sole discretion.

THIS WARRANTY DOES NOT APPLY TO NORMAL WEAR OR TO DAMAGE RESULTING FROM ACCIDENT, MISUSE, ABUSE OR NEGLIGENCE. SELLER MAKES NO EXPRESS WARRANTIES OTHER THAN THE WARRANTY EXPRESSLY SET FORTH HEREIN. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ALL IMPLIED WARRANTIES, INCLUDING ALL WARRANTIES OF MERCHANTABILITY OR FITNESS, ARE LIMITED IN DURATION TO THE WARRANTY PERIOD SET FORTH ABOVE; AND THIS WARRANTY EXPRESSLY EXCLUDES ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES. (Some states do not allow limitations on how long an implied warranty lasts, and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from jurisdiction to jurisdiction.)

WARNING: The individual user should take care to determine prior to use whether this device is suitable, adequate or safe for the use intended. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to the suitability or fitness of these devices for any specific application.

## PRODUCT REGISTRATION

Visit [triplite.com/warranty](http://triplite.com/warranty) today to register your new Tripp Lite product. You'll be automatically entered into a drawing for a chance to win a FREE Tripp Lite product!\*

\* No purchase necessary. Void where prohibited. Some restrictions apply. See website for details.

Tripp Lite has a policy of continuous improvement. Specifications are subject to change without notice. Photos and illustrations may differ slightly from actual products.

# Component Checklist

**IMPORTANT:** Ensure you have received all parts according to the component checklist prior to installing. If any parts are missing or faulty, visit [triplite.com/support](http://triplite.com/support) for service.

# Assembly

7

**Note:** Slowly fit the VESA plate onto the top plate rail, then tighten the safety screws to secure.

8

**Note:** The front panel can be tilted by 45°. To do this, loosen the 2 screw nuts on the top plate (I).

After alignment of the front panel, tighten both nuts on the unit.

# Assembly

9

## Cable Routing

**Note:** Route the cables along the column.  
Attach the cable covers to the column to hold the cables in place.

## Adjustment

### Maintenance

- Check that the bracket is secure and safe to use at regular intervals (at least every three months).
- Please visit [tripplite.com/support](http://tripplite.com/support) if you have any questions.
