## Product Features

- Quickly and easily add storage and transfer data to your computer, tablet, Ultrabook, Chromebook or laptop by connecting a SATA drive to your device's USB-C or Thunderbolt 3 port
- Supports USB 3.1 Gen 2 data transfer rates up to 10 Gbps
- Backward compatible with SuperSpeed USB 3.0 and High Speed USB 2.0 standards
- Accepts 2.5" and 3.5" SATA I, II or III hard disc drives (HDD) and solid state drives (SSD) up to 10 TB\*
- UASP (USB Attached SCSI Protocol)\*\* provides up to 70% faster performance when connected to a UASP-enabled host controller
- Supports all major operating systems
- Plug-and-play—no software required

\*Will work with larger hard drives as they become available.

\*\*Requires UASP-enabled host controller. UASP is supported by Windows 8 and later, Mac OS X 10.8 and later, and Linux.

## Package Contents

- U439-001-CG2
- USB 3.1 Gen 2 (10 Gbps) Device Cable, USB-C M/M – 3 ft.
- External Power Supply (Input: 100-240V, 50/60 Hz, 0.6A; Output: 12V 2A)
- Owner's Manual

## System Requirements

- Devices with available USB-C or Thunderbolt 3 port. A USB Type-C 3.1 Gen 2 port is required to achieve maximum data transfer speeds.
- 2.5" or 3.5" SATA HDD or SSD.
- Any major operating system that complies with USB standards.

# Installation

## Notes:

- *Hard drives are sensitive to static electricity and must be handled properly to prevent data loss. Always handle your hard drive with caution. Wear an anti-static strap (Tripp Lite model: P999-000) when transporting it, or touch a grounded metal surface to discharge yourself of static electricity prior to handling the drive.*
  - *If your SATA hard drive has not been formatted, you will first need to format it using your computer's Disk Management utility.*
  - *Before unplugging the adapter, make sure to properly eject the drive from your computer to avoid any potential data loss.*
- 1.** Connect the included power supply to the unit and plug it into a Tripp Lite Surge Protector, Power Distribution Unit (PDU), or Uninterruptible Power Supply (UPS).
  - 2.** Connect the included USB 3.1 Gen 2 cable between your computer and the docking station.
  - 3.** Connect your 2.5" or 3.5" SATA drive to the port on the unit.
  - 4.** Turn on the power to the unit. The blue LED on the unit will illuminate to indicate a link with the USB port. Once powered on, the SATA drive will be recognized by your computer.

# Warranty and Product Registration

## 3-Year Limited Warranty

TRIPP LITE warrants its products to be free from defects in materials and workmanship for a period of three (3) years from the date of initial purchase. TRIPP LITE's obligation under this warranty is limited to repairing or replacing (at its sole option) any such defective products. To obtain service under this warranty, you must obtain a Returned Material Authorization (RMA) number from TRIPP LITE or an authorized TRIPP LITE service center. Products must be returned to TRIPP LITE or an authorized TRIPP LITE service center with transportation charges prepaid and must be accompanied by a brief description of the problem encountered and proof of date and place of purchase. This warranty does not apply to equipment which has been damaged by accident, negligence or misapplication or has been altered or modified in any way.

EXCEPT AS PROVIDED HEREIN, TRIPP LITE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not permit limitation or exclusion of implied warranties; therefore, the aforesaid limitation(s) or exclusion(s) may not apply to the purchaser.

## Warranty and Product Registration

EXCEPT AS PROVIDED ABOVE, IN NO EVENT WILL TRIPP LITE BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THIS PRODUCT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. Specifically, TRIPP LITE is not liable for any costs, such as lost profits or revenue, loss of equipment, loss of use of equipment, loss of software, loss of data, costs of substitutes, claims by third parties, or otherwise.

### PRODUCT REGISTRATION

Visit [www.tripplite.com/warranty](http://www.tripplite.com/warranty) today to register your new Tripp Lite product. You'll be automatically entered into a drawing for a chance to win a FREE Tripp Lite product!\*

\* No purchase necessary. Void where prohibited. Some restrictions apply. See website for details.

### FCC Notice, Class B

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications to this equipment not expressly approved by Tripp Lite could void the user's authority to operate this equipment.

Tripp Lite has a policy of continuous improvement. Specifications are subject to change without notice.
