## Parts List

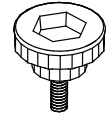

45° Down Elbow, x1

45° Up Elbow, x1

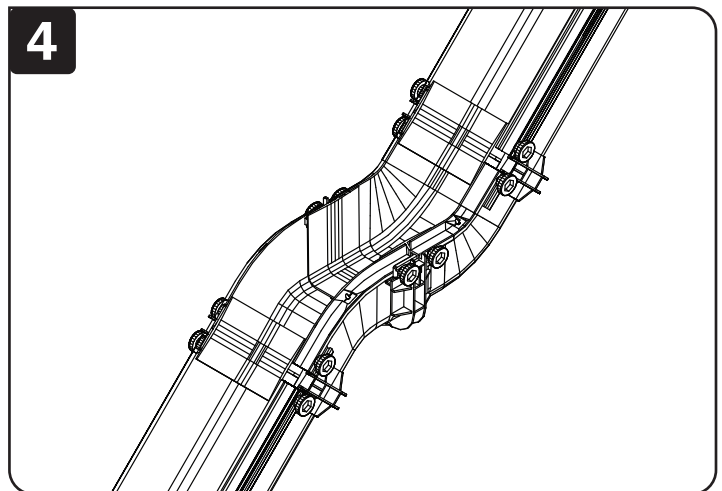

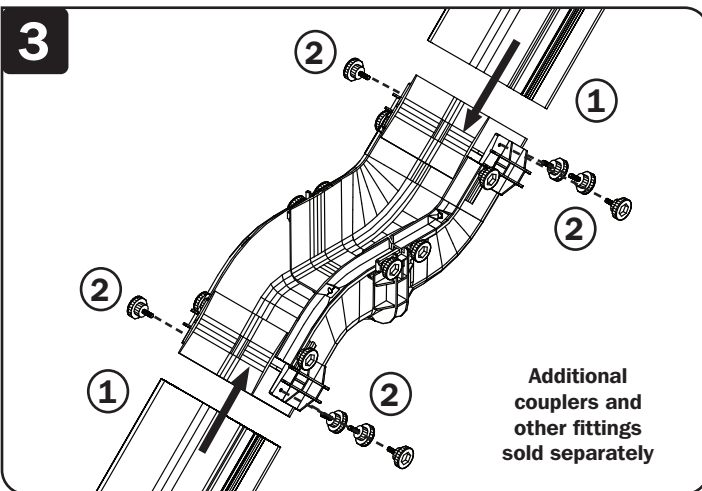

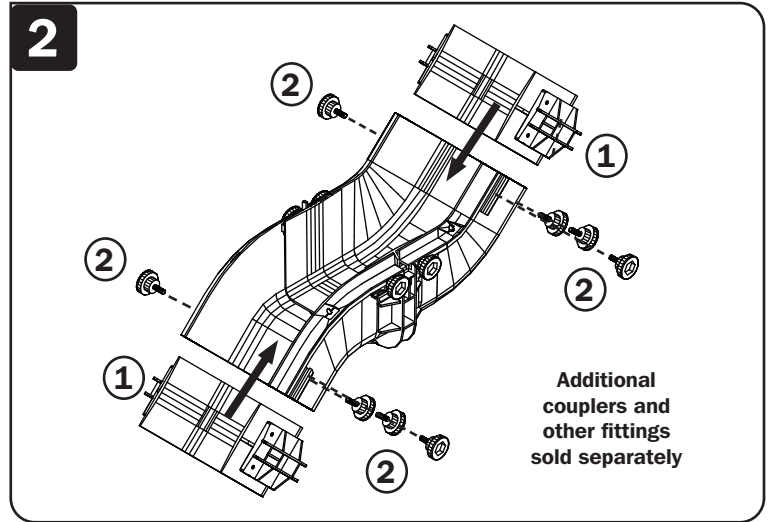

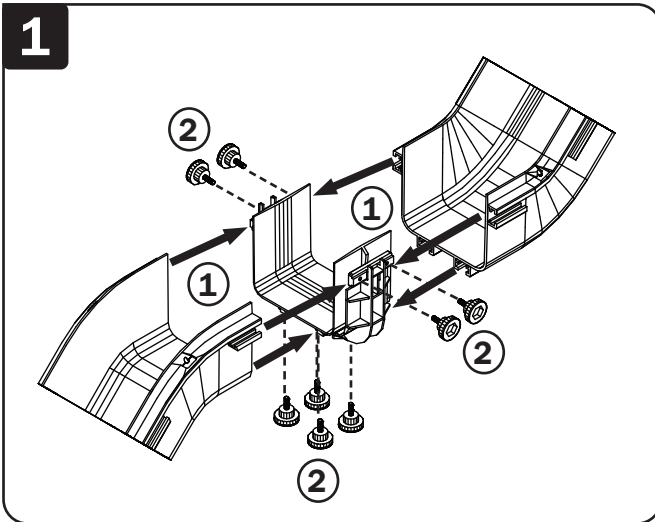

Toolless Coupler, x1

Round Shank Screws, x8

## Installation

Attaches to a channel or fitting to change the level of a horizontal run. (Requires additional toolless couplers, sold separately, for connection to channels and fittings.) Tighten screws by hand, no tools needed.

Tripp Lite has a policy of continuous improvement. Specifications are subject to change without notice. Photos and illustrations may differ slightly from actual products.
